RE: MidAmerican Energy Company

Dear Ms. Van Gerpen:

The accompanying revised electric tariff sheets issued by MidAmerican Energy Company ("MidAmerican") are transmitted to you for filing:

MidAmerican Energy Company
Section No. 3

3rd Revised Sheet No. 65

Canceling 2nd Revised Sheet No. 65

3rd Revised Sheet No. 66

Canceling 2nd Revised Sheet No. 66

Effective: August 15, 2018

Enclosed herein for filing are revised tariff sheets to update Rate QF - Cogeneration and Small Power Production Facilities tariff rate for MidAmerican's current avoided costs for the 12-month period beginning August 2018. The energy and capacity credits are based on the marginal energy cost and the market value of capacity cost data used to produce MidAmerican's 2018 PURPA Avoided Cost Report filed previously and attached for reference.

The market dispatch methodology used to calculate the energy credits is identical to the methodology used in MidAmerican's 2016 avoided cost rate filing.

Please contact me at (563) 333-8382 or dlvotino@midamerican.com if you have any questions.

Sincerely,

/s/

Diane Votino
